

# 14<sup>th</sup> SPARC Topical Workshop

GANIL Campus, Caen, France  
11-14 September 2017

## LAST ANNOUNCEMENT

Dear colleagues,

This is the third and last announcement for the **14th SPARC Topical Workshop** which will take place between the 11th and 14th of September 2017 at GANIL in Caen, France.

Information concerning both the scientific and social program can be found on the website <https://sparc2017.sciencesconf.org/>. Please note the eventual changes in the schedule and presentation time of your contribution compared to the preliminary program. The book of abstracts is now available online.

The registration and welcome reception will take place on Sunday, September 10<sup>th</sup>, from 16:00 to 20:00. For those arriving on Monday, the registration can be done before the first morning session from 08:30 to 09:30.

The poster session is planned on Tuesday, September 12th, 18:00 - 20:00. The poster walls will be marked by numbers corresponding to your poster contribution. Pins to fix the posters will be provided by the organizers.

Detailed information about how to reach the conference site is provided on the workshop website: <https://sparc2017.sciencesconf.org/resource/acces>

For any questions, please contact the local organizing committee at [sparc2017@sciencconf.org](mailto:sparc2017@sciencconf.org). We can also be reached on Sunday, September 10<sup>th</sup> in the afternoon at the following number: +33 2 31 45 44 04.

We are looking forward to seeing you in Caen,

Best regards,

The local organizing committee.
